

TrueMouthguards.com

Please initial the following:

_____ I am aware that a mouth guard is a hard piece of plastic which is designed to fit over and cover the upper teeth to help protect the teeth and attempt to reduce the risk of dental injuries and trauma during athletic activity.

_____ I furthermore understand that although the athletic mouth guard is protection for the teeth and soft tissues of the mouth, injuries to these areas are still possible while wearing this appliance and I can claim no liability for these injuries against True Impressions Inc. When worn correctly mouth guards greatly reduce your child's risk of dental injuries. Even with proper mouthguard wear there is a possibility of dental injury's.

_____ I am aware that the mouth guard/night guard can break from usual use and that there is a risk that the guard can be broken. I understand that the mouth guard should be checked regularly to ensure that it is not broken and that if it is, I will no longer use the mouthguard.

_____ Each year new impressions is recommended to ensure a proper fit

_____ A night guard may reduce pressures from clenching or grinding.

_____ If any signs of jaw pain worsen after night guard wear discontinue use and contact dentist.

_____ I am aware that True Impressions Inc. is not a dentist and has not prescribed any treatment.
